

## Evaluation of Committee Effectiveness

**Learnership**  
Today's learning . . . .  
tomorrow's leadership

Online tools and consultancy services  
provided by Learnership

Our Effectiveness Reviews for Audit Committees and Remuneration Committees, each validate key success drivers and good practice, using self-evaluation.

Quick and anonymous to complete, the on-line approach explores behaviours and activities crucial to enrich each committees' performance:

- Creates value through working efficiencies and best practice
- Facilitates collaboration through improved relations and professionalism
- Provides evidence of self-critique and ongoing development

*Improves leadership and committee member communication*

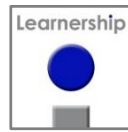

*Verifies core cultural values and practice*

*Enhances meeting's rigour and relations*

Immediately available 'off the shelf'.

Affordable; pricing from just £250 + vat, with option to customise as required.

**Enquire by email, or call us directly on +44 (0) 1295 271400**
